

New Zealand Under 19's Women's Softball Team

17 October 2011

Final team member named

A call up into the national team for NZ to compete at a Junior Women's World Series is a dream come true for 19 year old Melbourne based player Jessica Hollet. Playing against the Junior White Sox at last years Waverley Easter Carnival was an eye opener and Jess reports being impressed by the overall skill and in particular the base running speed of the team.

Coming into the team as catcher, Jess fills the vacancy left behind by the withdrawal of Arahia Fowell and removal of Rebecca Hicks. Coach Venita Hokai welcomes Jess into the team and is confident that her experience and maturity will add value to the team.

Jess will join the team for the first time in late October when the Junior White Sox play in the Waitakere Bears Classic Tournament at Labour Weekend in Auckland.
