Japan	4	-	-	3	-	X	X	X	7	10	0

Game Highlights:

New Zealand found themselves in chase mode from the top of the first innings with Japan scoring 4 runs. However they came to the box prepared to hit and got bat to ball throughout the game. Seven world class outs were taken by New Zealand during the game and in particular Mel Gettins recovered to take a tag out at home plate from a wild pitch. In the 4th innings Brooke McManus took an excellent pick off at first on a throw from Mel Gettins. The Japanese remained scoreless for 3 of the 5 innings and whilst the game was over in 5 innings there was considerable improvement and progress from their game against Japan at Canada Cup last week.
