

World Masters Games 2017 is coming! In April 2017, 25,000 athletes will compete across 28 different sports and 45 different venues throughout Auckland and Waikato. Whether playing to stay fit, to have fun or quite simply to win, it is the event of a lifetime.

We're expecting 1,800 softballers to compete at North Harbour Softball Stadium during the Games period, and we need you to join the 'Pit Crew' and be part of the team of volunteers that will make it all happen.

Softball requires volunteers to assist with both the general delivery of the tournament, as well as umpires for the tournament's finals.

All Volunteers will receive a full uniform and a meal at every shift.

The World Master Games 2017 'Pit Crew' Volunteers are at the heart of the Games, and play a vital role in ensuring the Games run smoothly and are an enjoyable experience for all.

Complete your volunteer application here:

<https://wmg2017.fusesport.com/registration/374/volunteer-sport>

Or further details on being a 'Pit Crew' volunteer can be found here:
