Game Highlights:

The NZ Golden Homes Black Sox struggled early against the well performed New York Bucks side with the scores tied at 0-0 after four innings. With two down in the top of the fifth inning, Stephen Ratu made base on a walk and with the pressure on Jerome Raemaki broke the deadlock with a hard hit drive to left field to score Campbell Makea who had replaced Stephen Ratu as the base-runner.

The safe hit by Raemaki presented the Black Sox the opportunity to get on a two down rally and that they did, with Thomas Enkoa singling to third base and then Donny Hale hitting an automatic home run to score Raemaki and Enkoa. This put the Black Sox out to a 4-0 lead and they built on this in their sixth turn at bat with scoring a further six runs, which once again included another automatic home-run to Donny Hale.

In his second start for the Black Sox young up and coming Wellington pitcher Josh Pettett was impressive striking out 10 of the New York Buck hitters and only giving up one hit.
