

## Manager Report Day 2.

A very slow start to our 3 back to back games, first the very experienced Cleveland side from the US. McIntyre hit 2 from 3 turns at bat and had a tidy 2 innings on the mound for our 4-2 loss.

Aussie Gold took the early lead in the 2<sup>nd</sup>, which was a nail biting game right till the end. In the 5<sup>th</sup> we leveled things up with singles from Glading and Whitman. Elliott felt hard done by on the mound by some crucial calls, but was very composed for the whole game.

Entering the 3<sup>rd</sup> game we jumped up for the 8 nil, 2 innings lead to the young inexperienced Wynnum team. Roy batted 2 from 2 along with Carter and Makea 3 from 4. Matai had a very tidy game playing 1<sup>st</sup> base, with a double base hit, with our 11-1 win.
