- 6 Level Six – National Umpire Level Seven – International Umpire
- **Regional Evaluation Criteria** 7
- 8 Pathways Summary

The softball community experiences quality umpiring and the enjoyment it creates.

Our Mission

To lead and deliver quality and professional umpiring providing enjoyment and support to all those involved.

Our Values

Passion – encompassing excellence, enthusiasm, persistence and dedication.

Honesty – implicit to gain trust and portray fairness.

Courage – having presence, calmness in how we behave and leadership in game management.

Quality – achieved through consistency, teamwork and continuous improvement.

Enjoyment – for the umpires, players, team management and spectators.

Respect – for each other, players and the rules.

Umpiring plays an important role in supporting our elite athletes to excel on the world stage and encouraging our local communities to participate, compete and enjoy Softball.

Over the years we have made significant progress in umpire development but there is much more to be done. We need to increase the number of active umpires in Softball and support them properly if we are to become a healthier, more successful part of the Softball community. We must ensure that our umpiring workforce is properly qualified and they have the skills and tools to work with all levels of athletes.

The Softball New Zealand Umpire Pathways Framework seeks to build on existing successes, putting in place systems which will deliver more and better supported umpires. We want Softball to be a sport where everyone who participates has access to an appropriately skilled umpire. A sport where umpires are appropriately recruited, trained, deployed and ultimately retained within Softball.

The Pathways Framework provides a clear direction and focus for our efforts to achieve a transparent, consistent and effective umpiring grading system throughout the country.

The Pathways Framework was developed by a working party, in conjunction with the National Umpiring Staff, to align with the Softball New Zealand Umpires Strategic Plan 2016-2021. The working party consisted of current national umpires from varying levels within the Framework.

Wiremu Tamaki

Softball New Zealand Umpire in Chief Kai-Whakawaa Matua – Poiuka Aotearoa

Notes

- The following document represents a guide to the minimum requirements for progression through the Pathways Framework. In exceptional circumstances only, earlier promotion may be made by the New Zealand Umpire in Chief and the National Umpiring Staff.
- 2. Umpires who do not meet the minimum requirements in a season will retain their grade followed by the letter "R". Special circumstances will be taken into consideration by the National Umpiring Staff. A season game abatement of up to ten games will apply for tournament chief umpires and their assistants.
- **3.** Progression to Level Two in one season is possible for start of season Umpire Recruits. If Level One is achieved by mid-season, Level Two accreditation could commence in the second half of their first season.
- 4. Eligibility for Levels Four, Five and Six evaluation is by accepting a National Umpiring Staff invitation. Eligibility for Level Seven evaluation at a WBSC international certification clinic is by approval of the Umpire in Chief and Softball New Zealand.
- 5. Pre-assessment is recommended for Levels Four, Five and Six. This may be conducted at any Regional Director of Umpiring approved tournament including regional or Club Premier Grade tournaments.
- 6. All holders of WBSC certification will be graded as Level Seven. Umpires who are not available for WBSC appointments but are fully active in the umpiring programme will be graded Level Seven "A". Level Seven "R" as per note 2 will also apply.
- **7.** In all cases conduct and dress, both on and off diamond, will contribute to overall evaluation mark.
- **8.** Game statistics are to be returned annually for all umpire levels within associations.

Abbreviations Used In This Framework

- SNZ Softball New Zealand
- WBSC World Baseball and Softball Confederation
- UIC Umpire in Chief (Local or SNZ)
- TCU Tournament Chief Umpire
- ATCU Assistant Tournament Chief Umpire
- NUS National Umpiring Staff
- RDU Regional Director of Umpiring

Local Umpire

Has no interest in furthering their umpiring career at this stage.

Season Games	Umpiring local association and/or club games	
Other	Recognised and acknowledged by local	
	association
