

Coralie Davies
Life Membership Citation (14 June 2023)
Manawatu Scorers' Association

Coralie has been involved in many roles of softball since she was 11 years old.

Firstly as a player, in 1957 when she was at Intermediate she began playing for Bramac Softball Club. She was a member of the Bramac Aces team all her playing years. She is Life Member and has been the scorer for all the Club's teams. She is still a member of the Club 64 years later. Bramac is the only Club Coralie has ever belonged to. Loyalty at its very best.

Bramac Aces is the only Club team in Manawatu that has won a National title.

Manawatu Representative player for many, many years. Attended many National tournaments under the astute coaching of our beloved Harry Redshaw.

After her playing career came to an end and in 1980 she decided the next best thing was to be a Scorer. Getting her NZ Scorers Badge in 1982. Coralie and Ruth Tane were the first ones to get their scorers Badge in Manawatu. Since then she has scored every year at local Club level, National and international tournaments.

A few of Coralie's achievements are:

- Scorer for many Manawatu Rep teams
- Manawatu Chief Scorer
- Central Deputy Chief Scorer
- 2001 - White Sox scorer Internal tour
- June 2004 - Toured with White Sox as Scorer to the Canada Cup in Vancouver
- September 2004 - Deputy Chief Scorer XI Men's World Series (Christchurch)
- January 2005 - White Sox scorer International Series (Christchurch)
- February 2005 - Official Scorer Black Sox International Series (Rotorua)
- February 2006 - White Sox Scorer South Pacific Classic Hamilton
- July 2006 - Again toured with the White Sox as Scorer to another Canada Cup in Vancouver
- August 2006 - Toured with the White Sox as Scorer to the XI Women's World Champs in Beijing, China
- March 2013 - Scorer XIII Men's World Champs North Harbour

So, as you can see there is not much that Coralie hasn't done. Hell of an act to follow.

On behalf of the Manawatu Scorers', we wish to thank you Coralie for all your dedication and service to scoring here in Manawatu. You have helped us all to be the scorers we are today.

I just want to end with -

Coralie - trainer, mentor and best of all a friend.
