

Executive Summary

Mark Porteous

Mark has an extensive playing background and since retirement, as a player, has remained “on the diamond” by taking up umpiring.

He has played Softball since childhood starting in the Waikato. After playing in the usual age group teams he made the senior Waikato team in 1977 and attended his first Provincials. After a season in Prescott Arizona (1981) and some time spent playing in the Auckland competition he moved to the North Shore in 1984-85. He commenced at the Glenfield Club and transferred to Northcote in 1985 and was an active member of that club until 2006. He also spent another “off season” in Vancouver Canada in 1988.

He represented North Shore and subsequently North Harbour as either a player or coach for many years culminating in being assistant coach of the North Harbour representative men’s team for four years 2001-2005.

He also coached a junior team for several seasons from U10 Tee Ball through until the team reached U15’s. He was Junior Coach of the Year for the Northcote Club in 2001.

Whilst playing overseas, firstly in the USA and subsequently in Canada he began umpiring to enhance his knowledge of the game. He also became a regular club and team umpire at local level when called upon.

After retiring as a player at the end of the 2005 season he decided to umpire at local level regularly. Serious umpiring began in the 2006-07 season.

He has risen through the ranks quickly due, in part, to his fundamental knowledge of the game from playing for so long and he achieved ISF qualification in 2011.
