Umpires Status
Softball New Zealand Umpire Level 6 (2018)

I first got involved in softball as an assistant coach for Metro premier woman in 2008, with no previous experience, I quickly learned the rules of the game to fulfil this position. I also maintained a full skin diamond which gave me more knowledge of the diamond dimensions. I grew a passion for the game and found umpiring calling to me. I chose the path of umpiring to assist the Auckland umpires association with numbers and offer players more quality of umpiring. To get a players understanding of the game, I joined Metro Div 4 men and played one season to try and expand my concept of softball to help me develop as an umpire. As I developed and progressed through my umpiring career, I found the need for more mentoring and guidance to achieve my goal of being a great umpire. I transferred to North Harbour Umpires Association to obtain this. With the help of

my peers with great feedback and knowledge sharing I have achieved my New Zealand badge and Level 6 accreditation. I have set my goals and strive to achieve them. I was privileged to be assigned a great mentor through the Softball New Zealand Umpires pathways programme and continue to grow and develop.
