Summary

I began playing softball at high school and continued playing for many years. During that time I coached age group club teams, managed a representative team and spent many years on club committees but ultimately it was umpiring that I developed a passion for.

Giving back to our sport by umpiring at both local and national level has been a rewarding experience providing a wide range of opportunities for development and travel. I was fortunate to begin my umpiring career during the 2011/12 season under the guidance of former Southland Chief Umpire Don Poy and continue my development today as a Softball New Zealand (SNZ) Level 6 Umpire with the support of several New Zealand WBSC umpires.

Umpiring Philosophy

Every game provides learning opportunities.
