Game Highlights:

A good start to the tournament with a focussed first up win. Choosing to bat first NZ had a great start with lead off batter Krysta Hoani getting a safe hit down the third base line. That set the scene for the team to build on the start with aggressive hitting. In the bottom of the third innings with Mexico taking the lead New Zealand showed composure under pressure to score two runs at the top of the fourth. Taylor-Paige Stewart had an outstanding debut on the pitcher's mound for New Zealand taking a critical strike out at the bottom of the second with loaded bases. Michal Tangaroa took over the pitching duties at the bottom of four and never looked like giving up more than one hit, closing the game out with three strikeouts. Not leaving eleven runners on base will be a focus for future games.
